San Diego

The Story Continues | 2026 Impact Report

Every family has a story.

Some begin in neonatal intensive care. Others start with a frightening diagnosis. All begin with a family doing everything possible to stay together.

Because of you, they don't have to face it alone.

Amid construction and our expansion to 82 suites in 2025, families continued to find comfort, care, and community at Ronald McDonald House San Diego.

1,412 family members stayed **37** nights on average

Families traveled from **13** states and **5** countries

46,000+ visits to the Fowler Family Care Center

\$1,920 average weekly savings per family

100+ children in school and enrichment

Nearly **100,000** meals served

170,000+ pounds of food rescued

New Name. New Look. Same Mission.

Ronald McDonald House Charities® of San Diego is now Ronald McDonald House® San Diego. For more than four decades we've been caring for families when their children need healthcare.

On the cover: the Yepiz Family.

Founded in 1980, Ronald McDonald House® San Diego is a 501(c)(3) nonprofit organization. Federal Tax ID: 95-3251490. Donations are tax-deductible as permitted by law.

Dear Friends,

Every great story has moments that shape what comes next.

This is one of those moments for Ronald McDonald House San Diego.

Because of the generosity of our community, more families can stay together under our roof than ever before. With 82 guest suites now welcoming families each night and Family Support Services taking shape, we are expanding both our capacity and our care for children and families facing medical crises.

This year also marks an important leadership transition. After 16 years as President & CEO, Chuck Day is retiring. Under his leadership, the House grew significantly, strengthened its foundation, and prepared for the future. His impact will be felt by families for generations to come.

At the same time, we are pleased to welcome Alex Loker as President & CEO. Alex brings deep experience serving children and families, a commitment to family-centered care, and a clear passion for our mission. I am confident Ronald McDonald House San Diego is well positioned for its next chapter under her leadership.

The pages that follow tell stories of resilience, generosity, and hope. They are stories of families staying together, supporters stepping forward, and a community coming together to make difficult journeys a little easier.

Most importantly, they are stories made possible by you.

Thank you for being part of our story and for supporting families when they need it most.

With gratitude,

Matt Cobas

Chair, Board of Trustees

**A message from our
new President & CEO**

Inspired by families

Dear Friends of San Diego's Ronald McDonald House,

When I first learned about our House years ago, what struck me wasn't the building. It was the families.

Families like Jimmy's, in the story that follows. Their resilience, determination, and love for one another remind us why this mission matters.

Throughout my career, I have seen how much children depend on the people who love them. Parents comfort, advocate, ask questions, and make difficult decisions. They are an essential part of their child's care.

A medical crisis may begin with one child, but it affects an entire family.

That simple truth is at the heart of Ronald McDonald House San Diego. By helping families stay close to their child, close to care, and close to one another, we help them focus on what matters most during an incredibly difficult time.

As a fourth-generation San Diegan, I am honored to lead an organization that reflects the very best of our community's compassion and generosity. I am excited about the future, from expanding Family Support Services to strengthening the partnerships that help families feel supported every step of the way.

Most of all, I look forward to joining the families, supporters, volunteers, and staff who continue these stories every day.

Thank you for the warm welcome and for believing, as I do, that families are stronger when they stay together.

Warmly,

A handwritten signature in black ink that reads "Alex Loker".

Alex Loker

President & CEO

Staying together for Jimmy

For the Yepiz family, Ronald McDonald House San Diego will always be more than a place to stay. It's where they stayed together.

When Jimmy was born more than three months early, Alexandra and Jose faced fear, uncertainty, and impossible choices. Home was nearly two hours from the hospital, and they couldn't be in two places at once: at Jimmy's bedside and with their three daughters.

Then a room became available at Ronald McDonald House San Diego.

The House became home for the entire family while Jimmy received specialized care. Jimmy spent 105 days in the NICU and underwent 11 surgeries.

Yet between hospital visits, family life continued.

Jose and Alexandra could gather with their children at the dinner table, celebrate milestones, and hold onto the everyday routines of family life. Their youngest daughter took her first steps. Their oldest entered kindergarten at the House's onsite school.

Looking back, Alexandra remembers finding hope in simple acts of kindness. Every warm meal, smile, and thoughtful gesture reminded her family they were not alone.

Today, Jimmy is thriving and developing right on track. The family returned to the House this summer to celebrate how far they've come and share their story with others.

Parents Jose and Alexandra with Jimmy at Ronald McDonald House San Diego

**“Today when I look at my son,
I don’t just see the baby who overcame impossible odds.
I see every person who stood beside our family and
made that journey a little less overwhelming.”**

—Alexandra Campbell

The Fowler Family Care Center

for families staying at the House and those coming for daytime support

- Meals & snacks
- Rest & respite
- Showers & laundry
- Children's activities
- Connection & community

A place to stay close during the day

The Ron & Alexis Fowler Family Care Center

The Fowler Family Care Center serves as a daytime home base for families caring for a seriously ill child. Whether coming from a night at the hospital or navigating a full day of appointments and procedures, families have a place to regroup and recharge while remaining just steps from their child's care.

This spring, Ronald McDonald House San Diego named our Family Care Center in honor of Ron and Alexis Fowler, recognizing their extraordinary commitment to strengthening the House's mission and expanding support for caregivers and families navigating a child's medical journey.

The Fowler Family Challenge

Ron and Alexis Fowler's **\$6.25 million Fowler Family Challenge** continues to inspire support for the *Imagine the Moment* campaign. More than **\$5 million has already been unlocked**, helping expand family care, grow Family Support Services, and strengthen long-term sustainability.

Every gift brings us closer to achieving the full impact of the Challenge.

Your gift may unlock more of the extraordinary Fowler Family Challenge. Use the QR code or visit:

Play. Connection. Comfort.

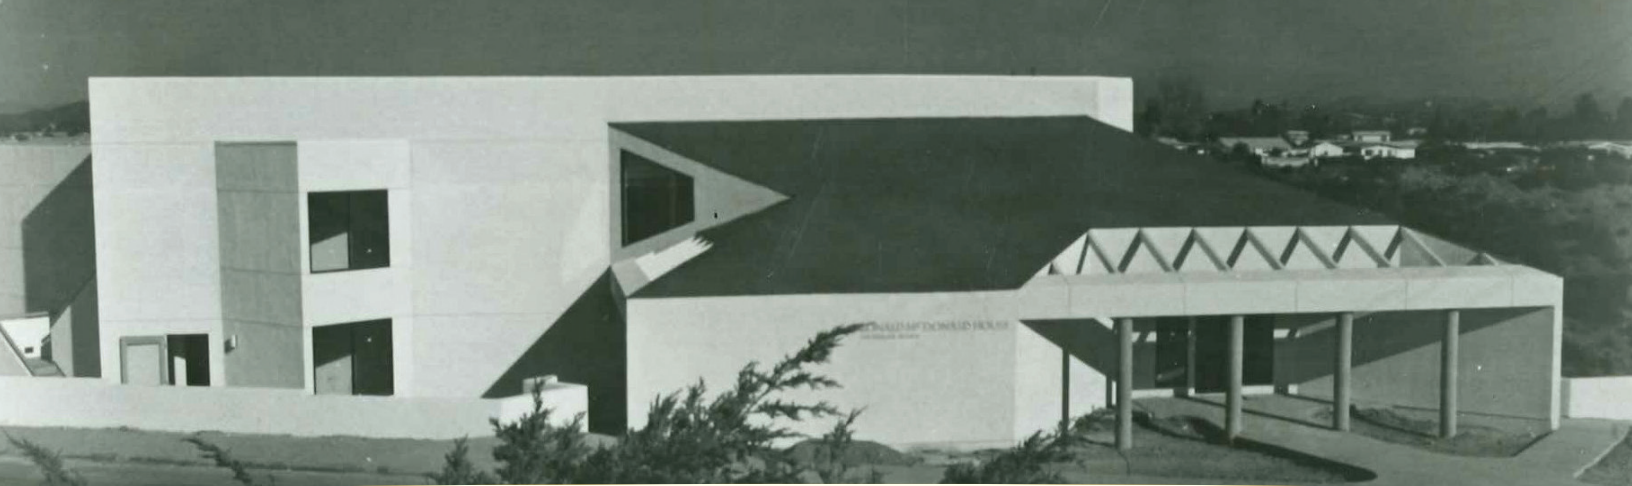

Small moments can make a big difference in brightening a child's day.

“With all the activities and friendly people, our daughter was so happy. She didn’t realize anything was wrong.”

— Karen and Alex Montano with their children, Vivianne and Alejandro, going home after his 10 weeks in the NICU

1980 construction of our original
Ronald McDonald House, now our North House

A vision that endures

What began with six families determined to create something better has grown into a community of care for thousands of families each year.

“There was no place for parents to stay. That was the whole problem, and once you see it, you can’t unsee it. Families needed to be close to their kids. That need is what started everything.”

– **Donald B. Schwartz, MD**

Co-founder, Ronald McDonald House San Diego; Founding Medical Director,
Children’s Hospital Cancer Center (now Rady Children’s Health)

Fifty years ago, after experiencing the loss of a child to cancer, six families joined pediatric oncologist Dr. Donald B. Schwartz and hospital social worker Irma Gusfield to create something better for families facing childhood illness.

Together, they formed San Diegans Against Childhood Cancer, led by parent Peter Hallisay, and helped establish Ronald McDonald House San Diego, ensuring families had a place to stay near their child’s care.

Today, the House looks very different than it did in 1980. What began as a place to stay has expanded to include meals, education, and Family Support Services that support the entire family during a child’s medical crisis.

Yet the reason it exists remains unchanged: helping families stay together when they need each other most.

A lasting impact

Sixteen years of growth, service, and stewardship

“Being a part of this great organization has been the honor of my life. Thank you to our community, and to our donors, volunteers, and staff for all that we accomplished together.”

– **Chuck Day** President & CEO, 2010-2026

When Chuck Day joined Ronald McDonald House San Diego in 2010, he understood the importance of keeping families close to their child during a health crisis. He was committed to ensuring that families would continue to find comfort, support, and a welcoming place to stay, not only in the moment, but for years to come.

Over the next 16 years, his vision helped shape Ronald McDonald House San Diego. Under Chuck's leadership, the House increased access to lodging and meals, created new ways for the community to support families, and launched the *Imagine the Moment* expansion campaign.

Leading with heart

Along the way, Chuck became a familiar and encouraging presence for countless children and families, never losing sight of the people at the heart of the mission.

Those who know Chuck know that no task was beneath him. If a rain puddle needed clearing, he'd grab a broom. He brought that same dedication and genuine care to every interaction, ensuring employees, volunteers, donors, and families felt valued and appreciated.

Today, Chuck's impact lives on in every family welcomed through our doors and in the stronger organization he helped prepare for the future.

Chuck has been a warm and supportive presence in the lives of many children and families over the years, including Christopher and Caitlin, who are each undergoing cancer treatment.

The Charles E. Day *Imagine the Moment* Endowment Initiative honors Chuck's dedication to families and the future of the House.

give.ronaldmcdonaldhouse-sandiego.org/CharlesEDayITM

Supporting families in new ways

The *Imagine the Moment* campaign is helping Ronald McDonald House San Diego provide more comprehensive care than ever before. After expanding the House to 82 guest suites, campaign supporters are making Family Support Services possible, helping parents, siblings, and caregivers access the support, resources, and connections they need throughout their medical journey.

Led by founding director Lisa Castagnola, LCSW, Family Support Services helps families navigate some of life's most difficult moments with greater support and confidence.

Family Support Services grows from a simple belief: caring for a child means supporting the whole family.

- Social work support and crisis response
- Graduate social work internships
- Emotional wellness programs
- Sibling support and activities
- Therapeutic resources
- Transition home support
- Follow-up care and bereavement support

“The families I speak with are so relieved to have a place to stay. Yet they need more. Someone to listen, resources they can trust, and support that extends beyond the hospital, all the way home.”

– Lisa Castagnola, LCSW
Founding Director of
Family Support
Services

Truletta Claves with other Trustees and children celebrating the kitchen expansion and meal program endowment, 2019

For families yet to come

Our endowments strengthen care today and ensure support for tomorrow's families.

Families who will arrive at Ronald McDonald House San Diego in the years ahead will need comfort, care, and support, just as families do today. As part of the *Imagine the Moment* campaign, we are strengthening our endowment to help ensure the House remains a source of support, connection, and hope for generations of families.

A lasting investment in families

The **Joseph Claves III Charitable Trust** holds a unique focus on establishing endowment funds for well-managed nonprofit organizations that demonstrate strong leadership, sound stewardship, and lasting community impact. Through gifts in 2012 and 2019 totaling more than \$4 million, co-trustees Truletta Claves and Brendan Holmes made a transformative investment in Ronald McDonald House San Diego's endowment. Today, those endowed funds continue to support family care while growing in value, helping to ensure our House can serve families for years to come.

“Many donors do not originally consider endowment giving. However, these gifts are essential to an organization's long-term health.

Having worked in the nonprofit sector for many years, I know they provide the foundation that sustains meaningful work.”

– **Truletta Claves**

Supporting thousands of family stays
and tens of thousands of meals

Connecting through meals

Meals From the Heart

Meals From the Heart brings people together three times daily, every day of the year. Families gather around the table while volunteers help create a warm, welcoming experience. Generous community support makes these moments possible.

La-Z-Boy volunteers served meals twice this year, while the company continued its longstanding support through furniture donations, including comfortable seating for our new family suites.

“Mealtimes are an important part of our day, and not just for the food. We’ve made friends with other families, too.”

– Berenice V. with daughter Nicolette

8,000-square-foot

\$51,000 annual
savings to support
family care

Powering family care

\$500,000 grant from James M. Cox Foundation

Thanks to a major grant from the **James M. Cox Foundation** and the continued partnership of **Cox Communications**, Ronald McDonald House San Diego is moving forward with a major solar energy project that will strengthen our ability to serve families for years to come. Following last year's addition of 28 new family rooms, this investment will help us operate more efficiently while supporting our continued growth.

Named rooms celebrate remarkable generosity

Each guest suite tells a story of community support. This year, we were pleased to recognize **Kiwanis Club of San Diego and San Diego Kiwanis Club Foundation, Molly and Mike Gregoire**, and **Watkins Wellness** for their generosity and commitment to helping families stay close when it matters most.

Molly & Mike Gregoire

San Diego Kiwanis Club

Watkins Wellness

Everyday generosity

Every Round-Up makes a difference

Behind every Round-Up donation is a McDonald's team member who takes a moment to invite a customer to support Ronald McDonald House families.

Thanks to the dedication of owner/operators, managers, crew members, and customers throughout San Diego County, Round-Up for RMH has raised more than \$300,000 so far this year to help care for families.

We are deeply grateful to the McDonald's teams whose energy, enthusiasm, and commitment help make a difference for our House every day.

Team members at McDonald's Paradise Valley Road, the top store for Round-Up donations in 2025.

Founding and Forever Partner

Our Founding and Forever Partner, McDonald's, helps enable Ronald McDonald House to continue offering the important programs that keep families near the medical care and resources they need.

Turning excitement into impact

Early Bird #1 winner in the 2026 San Diego Giving Back Raffle, Tom, with his wife Sandy, celebrates receiving the keys to their brand-new 2026 Lexus LX from Ronald McDonald House San Diego COO Oscar Gomez.

From dream vacations and unique experiences to one-of-a-kind prize packages, our San Diego Giving Back Raffle and Hoehn Motors Car Raffle, made possible through the generosity of Susan and Bill Hoehn, transform the excitement of winning into meaningful support for families.

Each year, these raffles engage thousands of supporters, raising critical funds and introducing more people to the mission of Ronald McDonald House San Diego. Every ticket purchased helps families stay close to their hospitalized child and find comfort, stability, and support throughout their medical journey.

Community traditions that give back

Red Shoe Day

16 years strong

\$178,000+ raised in 2025

through intersection collections, online, and local give-back events.

Dinner with Friends

\$1M+ raised since 2010

Chuck Day and event founders Matt Teeter and Carlos Sanguinetti celebrated the supporters whose generosity helped reach this milestone and keep families close when it matters most.

Golf Invitational

35 years of impact

\$356,000+ raised in 2025

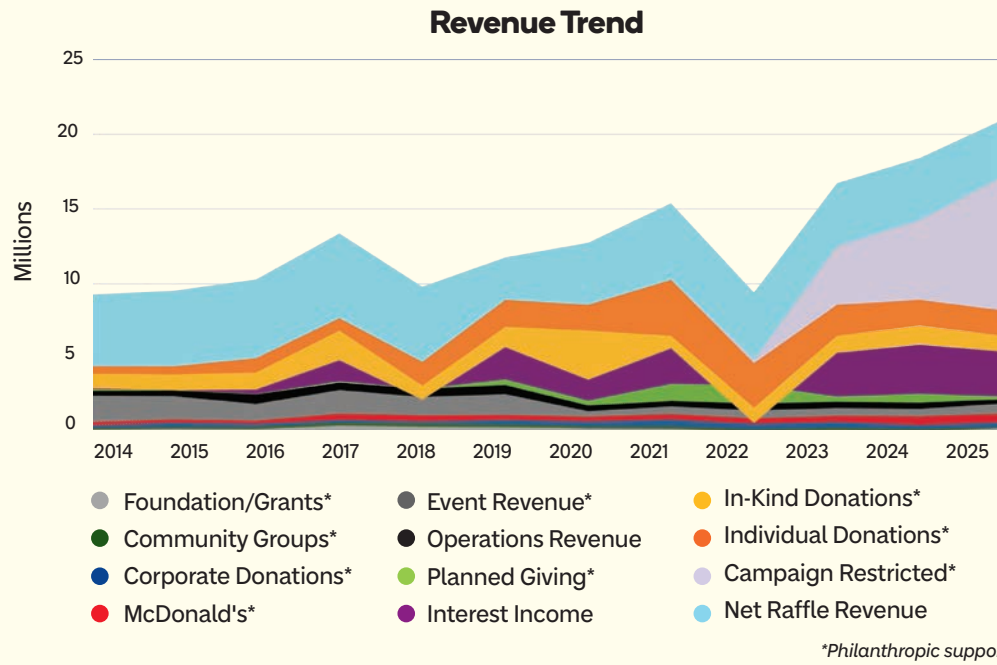

Ronald McDonald welcomed golfers, including Trustee and Invitational Chair Landon McQuestion (second from the right) and members of his Balfour Beatty foursome.

Stewarding every gift

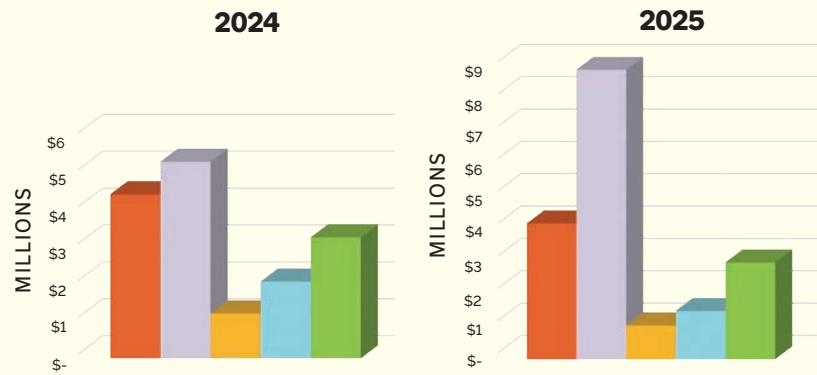

Thanks to the consistent generosity of our supporters, Ronald McDonald House San Diego remains financially strong and well-positioned to serve families today and in the future.

In 2025, \$9.0 million was designated for *Imagine the Moment* campaign priorities, including expanded capacity, enhanced Family Support Services, and growth of our endowment. The organization holds \$57.5 million in total net assets, including \$11.7 million in donor and board-designated endowment funds that help sustain family care today and secure our mission for the long term.

Guiding our next chapter

This year, our Board of Trustees adopted a two-year bridge strategic plan that preserves the stability families depend on, advances key priorities, and creates a strong foundation for our new CEO as she establishes her vision.

Along with the Trustees pictured, we also welcomed **Gary McCormick** to the Board. A retired partner with BDO USA, LLP, Gary brings extensive financial expertise and serves on our Finance and Audit Committees.

Governance Committee

A lasting contribution

Brian Cahill concluded his Board service after years of exceptional leadership and commitment to San Diego's Ronald McDonald House. A past board chair, he helped guide the organization's growth and, earlier in his career, led the Balfour Beatty team that built our current House. He also chaired the Golf Invitational Committee for nearly two decades, helping make it one of the House's most successful fundraising events. Together with his wife, Robin, Brian continues to support the mission through service on the Philanthropy Committee and through a guest suite named in honor of his parents.

Giving Circles

Your legacy can help today

Unlock \$25,000 for families now through the Fowler Family Challenge

When you include Ronald McDonald House San Diego in your estate plans and notify us of your intention, you can help unlock \$25,000 through the Fowler Family Challenge. Your gift makes a difference twice: supporting families today and helping ensure Ronald McDonald House San Diego will be here for generations to come. As a thank you, you will be welcomed into the Many Hearts Legacy Society.

How to unlock \$25,000 for family care

1. Simply include Ronald McDonald House San Diego in your:
 - Will or living trust
 - Retirement accounts (IRAs)
 - Personal bank accounts
 - Life insurance
 - Other charitable gift arrangements
2. Then let us know—use the website, QR code, or call.

ronaldmcdonaldhouse-sandiego.org/notification

EIN: 95-3251490

Questions? Kim Greene | 858-598-2425 | kgreene@rmhsandiego.org

**Ronald
McDonald
House®**

San Diego

2929 Children's Way, San Diego, CA 92123

**Help the
next family
stay together.**

Give today.
